BKN 1 BLENNERHASSETT-KNAPP - this KNAPP family, a medical dynasty, have a BLENNERHASSETT connection whose origin is unknown...

The Blennerhassett name may have entered this family through either the KNAPP family or the BURNS family, or through personal friendship at Clifton - help with this is needed !

The Knapp family shown on these pages is well documented in:
"A History of the Chief English Families Bearing the Name Knapp" by Oswald Greenway Knapp [HCEFBNK pp.151-156]
privately printed for the author by St.Catherine's Press, London, 1911 and published posthumously by his son, through a subscription system

There is an unrelated Knapp connection to a different Blennerhassett family on page BCL 06
